WORDSKILLS SHANGHAI 2022

WANTS YOU!

Do you have what it takes to represent SA in China

worldskills · IT varsity · EMPIRE PARTNER FOUNDATION THE HUB OF TECH AND CREATIVE ARTS

LIMITED OFFER! ENDS 19 JAN 2022 *T's & C's Apply*

Are you aged 22 and under? Do you have a passion for all things digital? Then we are looking for you! IT varsity, in partnership with The Empire Partner Foundation, is looking for 300 young people to participate in a series of national competitions to test their skills in the following categories:

- **3D-Printing Mechatronics**
- **Cyber-Security**
- **Computer-Aided Design**
- **Graphic Design Technology**
- **IT Network Systems Administrators**
- **IT Software Solutions for Business**
- **Mobile App Development**
- **Software Development**

Not trained in any of the above? No need to worry, IT varsity has got you covered - we'll provide the training! If you qualify and make it into the competition, you will be provided with FREE training and mentorship.

To get started simply visit the IT varsity website, fill in the application form, and take the aptitude test. Should you pass the test you will be entered into the next stage – a virtual Skill-A-Thon 1-day competition event where young competitors from across South Africa will come together in a hybrid environment both virtual and in-person to test their skills. The Skill-A-Thon will take place on the 22nd of January 2022.

The top 300 participants from the Skill-A-Thon in each of these categories will then receive training & development to master their skills for entry into a series of national & regional competitions. The top performers in these competitions will then stand a chance to represent South Africa at the 46th WorldSkills Competition set to take place in Shanghai China from 12 – 17 October 2022.
